Eco framed canvas

Short description:	38mm satin canvas art prints – made from 100% recycled materials and set inside a premium floating frame
Long description:	Offer a more sustainable take on framed canvas wall art with our eco framed canvas, combining recycled materials with a premium floating frame. Designed for sellers looking to expand their eco-friendly range, these canvas art prints combine both visual impact and responsible production. Each piece is produced using canvas made from recycled plastic bottles, giving waste materials a new purpose without compromising on print quality. Your custom canvas print is then hand-finished and set within a canvas floater frame crafted from sustainably sourced wood, creating a clean, elevated presentation.
