Long description:	You can't beat a classic. Crafted from solid, satin-laminated wood and delivered ready to hang with our bestselling fine art print, there's a reason the classic framed print is our bestselling custom wall art product. Time and again, print on demand sellers tell us that both they and their customers love the quality of our classic framed prints. > _The quality of the prints and frames that I've received from Prodigi has really blown me away. I haven't found better elsewhere, and their eco credentials are very impressive._ What's more, they're perfect for showcasing everything from artwork and photography to illustrations and graphic designs, making them a great product for selling in any online store. Available to order in eight frame colours and three glaze options, including Perspex, float glass and moth-eye glaze. Our premium moth-eye glaze features a revolutionary coating made from a special type of anti-reflective thin film, creating a stunning, no-glass effect. Please note: the size listed for each picture frame refers to the size of the glaze and does not include the width of the picture frame. For example, A4 prints without a mount will fit an A4 glaze exactly, but prints with a mount will be smaller than A4 to fit the mount window opening.
